Supplies:

You will need to provide the following:

-Popcorn & Sno-cone
Ingredients

-Charcoal for grill

-Gas for generator

**Operation manual for
equipment is on the trailer.*

Set Up & Clean Up:

*We suggest having a designated
crew to set up, tear down, clean,
and put everything back in it's
proport place on the trailer.*

Certificate of Insurance

A certificate of insurance must be provided from your property casualty company. You will not have to provide proof each time you rent the trailer as we will keep it on file for you. This is precautionary in the case an accident happens on your church property. Please know this is because we have your best interest at heart!
