Bradley County Associational Royal Ambassador Report

The Royal Ambassadors of the Association had a great year. We started off in Jan. with a banquet and will end in Nov. with a Royal Ambassador Week Winnie Roast and hayride. In between we had a home mission hike, and a Foreign Missions bike ride. The most special event was the spring out of school Campout, at Camp Agappe, Beata, TN. We had a great attendance of about 40 people participation.

If your Church needs help with your R.A. program, or needs to start a new one. Please call the Associational Office or Charles Hysinger (423) 479-3785.

We ask that you keep this mission outreach in your prayers. We need your input also.
