CROSSNET BAPTIST NETWORK EVANGELISTIC BLOCK PARTY TRAILER MATERIALS & INFO LIST

SUPPLIES

CrossNet will provide cooperating member churches with popcorn and sno-cone supplies at no charge, if requested when trailer is reserved.

You will still need to provide the following:

Charcoal for grill (*if using*)

Gas for generator (*if using*)

*Operation manual for equipment is on the trailer

ADDITIONAL EQUIPMENT

The association has additional equipment available for cooperating member churches, such as a Fender passport portable sound system, microphones, and stands. If you would like to use additional equipment, please let us know when you reserve the trailer and we will check availability for you.

SET UP & CLEAN UP

We suggest having a designated crew to set up, tear down, clean, and put everything back in its proper place on the trailer.

CERTIFICATE OF INSURANCE

A certificate of insurance must be provided from your property casualty company. We will keep them on file for you but please note, they typically expire each year. This is precautionary in the case an accident happens on your church property. Please know this is because we have your best interest at heart!
